

Boarding Checklist

- Food- You can bring your own food from home or we can provide food for you. We recommend that you bring your own food to prevent stomach upset. Make sure you know the amount that we need to feed and how often. We will feed according to your schedule not ours. There is no extra charge for feeding our food.
- Medicine- If your pet has medication, please bring it in with you. Make sure that you write down the entire prescription label so that we give the medicine correctly. Please, bring the medicine to our Technicians attention. We want your pet to be taken care of to the best of our ability. **We will charge \$4.50 additional per day that medicine is administered.**
- Beds- You can bring your friends bed or blanket if they have one. We will supply bedding for them if you choose not to bring theirs from home.
- Toys- We will allow soft toys, balls, squeakers, and rope bones. We will not allow any rawhides or greenies while they are boarding with us do to a choking hazard. Please, leave these toys at home.
- Bowls- You can bring their own dishes from home if they are used to eating out of something special. We will provide dishes for them to eat out of if they are not picky.
- Shampoo- If your pet has a special shampoo that needs to be used please bring it with you. Please write the name of it on the medication line on the boarding form. We use Aloe and oatmeal in house. **We will charge extra for baths. Please click on the bath price sheet under boarding.**
